PLAINFIELD 64-GALLON REFUSE/RECYCLING CART REQUEST FORM

Name: _____

Street Address: _____

Daytime Phone Number: _____

Check here to request a 64-gallon refuse and recycling cart instead of the 96-gallon cart pair.

**Return this postcard or Call Waste Management at (800) 796-9696
THE DEADLINE FOR THE REQUEST IS JANUARY 31, 2012**

ANNOUNCING NEW COLLECTION SERVICES FOR THE VILLAGE OF PLAINFIELD

Dear Village of Plainfield Resident:

Waste Management and the Village of Plainfield are pleased to announce an enhancement to the refuse and recycling program.

Refuse Cart: Waste Management will provide each home with a 96-gallon cart for the placement of refuse. The cart will be green and have a hinged lid to contain the material. The cart is also on wheels for easy movement. Additional refuse must be contained in a 32-gallon rigid container or bags and placed next to the cart on collection day.

Recycling Cart: Waste Management will also provide each home with a 96-gallon cart for the placement of recyclables. The cart will have an easily identifiable yellow lid. The cart will provide 5 times additional capacity for recyclables and it will be as easy to use as the refuse container.

Smaller 64-gallon cart pairs are also available by contacting Waste Management. Residents can request the smaller carts via one of the following ways:

1. Call the customer service center at (800) 796-9696.
2. E-mail Waste Management at Plainfield64galcart@wm.com with your name, address, and phone number.
3. Fill out and mail in the attached postcard.

All requests for 64-gallon carts should be received by Waste Management no later than January 31, 2012. **You will automatically receive a 96-gallon cart for trash and recycling (highly recommended). You only need to return this request form or contact us if you wish to receive a smaller pair.**

The distribution of the carts will occur in early March. The carts are available for viewing at Village Hall, 24401 W. Lockport St, Plainfield, and at the Public Works Building at 14400 Coil Plus Dr., Plainfield. We recommend using the larger 96-gallon carts to avoid using additional containers.

Special Note for Cart Renters: If you are currently renting a refuse or recycling cart (or both), you will no longer be billed for the quarterly rental charges after January 1, 2012. You will retain the cart(s) that you are using and you will receive a separate letter regarding your options.

We appreciate your business and cooperation with this new program. We believe that this new program will enhance Plainfield's appearance and contribute to the Village's long-term sustainability initiatives. Please call us at (800) 796-9696 if you have any questions.

Sincerely,
Waste Management
