

VILLAGE OF PLAINFIELD

ABOVE GROUND POOL APPLICATION REQUIREMENTS

The following is a guideline of requirements that need to be met along with the completed application.

APPLICATION:

- ❖ **Submit a completed application.**
- ❖ **If you have a Septic tank in your yard, you must first contact the Will County Health Department, Northern Branch @ (630) 679-7030. You will have to get approval from them and then submit a copy of the approval with your application.**
- ❖ **Submit two (2) copies of the plat of survey indicating the location, size and distance of the pool from the house as well as the distance from the side and rear lot lines. Also, indicate location of all equipment (filters, pumps etc.) related to the pool.**
- ❖ **Check with your Homeowners Association regarding covenant restrictions.**
- ❖ **Contact JULIE, INC. @ 1 (800) 892-0123 – Two (2) working days prior to digging to locate utilities.**
- ❖ **Check with water billing @ (815) 439-2923 for a one time sewer reduction on your first fill.**

CODE REQUIREMENTS:

- ❖ **See Municipal Code, Article VII, Swimming Pool Regulations or @ www.plainfield-il.org.**
- ❖ **The pool cannot be located within any easement and must be a minimum of 10' FEET from all property lines and the house.**
- ❖ **Above ground pools shall not change or alter the existing grading or overland flood routes as indicated on the final plat of survey.**
- ❖ **All pool equipment must be on a GFCI (ground fault circuit interrupter) protected circuit.**
- ❖ **No current carrying electrical conductors shall cross the pool, either overhead or underground. All underground current shall be a minimum of 5' FEET from the pool. All overhead shall be a minimum of 18' FEET from the pool.**
- ❖ **Extension cords are not allowed for the pool pumps.**

ABOVE GROUND POOL APPLICATION REQUIRMENTS CONT'D

CODE REQUIREMENTS CONT'D:

- ❖ **All pool heaters will require a gas line inspection (If applicable). Only approved material can be used for underground gas line (Black pipe is NOT allowed). See attached.**
- ❖ **Yards with pools must have “rail toppers” surrounding the pool 6’ FEET from grade or must have fences surrounding the yard no less than 5’ FEET from grade with locking gates.**
- ❖ **A separate fence permit is required and the fence must be installed prior to filling the pool. *See Municipal Code, Article VII, Swimming pool regulations, Construction requirements, Sec.2.5-137, (d) Fences, (e) Steps or ladders.**
- ❖ **A temporary construction fence must be in place immediately for (sunken) above ground pools and all In-ground pools.**

INSPECTIONS:

- ❖ Above Ground Pool –
 - **Final Building Inspection**
 - **Final Electrical Inspection**
 - **Final Plumbing Inspection for the gas line to the pool heater.**
- ❖ The “Temporary” construction fence must be removed with a permanent fence in place for the Final Inspections.

PERMIT FEES:

- ❖ **Above Ground Pool permit fee is \$55.00 and is due at time of issuance.**

NOTE: If permit is not picked up within 30 days of approval it will be VOIDED and you will have to reapply.
