In late 2006, the Village Board created a Committee to research and gather information on Plainfield Festivals and Special Events. To assess what the community likes and dislikes about current community events as well as what they would like to see in the future, the Committee has put together a survey to gather information.

If you do not have access to the internet and would like a copy of the survey, please call (815) 439-4253.
