Press Release

November 5, 2010

For Immediate Publication:

Notice of Gas Main Work

Plainfield, IL -- Nicor will be replacing a section of gas main on Illinois Street, south of Lockport Street, and in the alley, west of Illinois Street, beginning November 16th. They will be excavating several pits to directional bore in a new main whereupon the old main will be abandoned. Illinois Street will not be closed; however, flagging operations will be in place and drivers should expect delays. Nicor estimates that the work will take up to three days and pavement restoration will occur the following week.
