

Notice of Partial Road Closure

As part of the ongoing construction project located at the intersection of 127th Street and Van Dyke Road, sections of the roadway will be partially closed to one lane on Monday, July 30, 2007 and Tuesday, July 31, 2007 between 7:00 a.m. and 3:00 p.m. Vehicle traffic will be able to go through the intersection under flagging operations. This closure is necessary in order to allow the installation of electrical conduits under the pavement for the future streetlights and traffic signals at the intersection.

Any questions about this project should be directed to the Plainfield Public Works Department – Attn: Mr. Randall W. Jessen – Superintendent of Public Improvements at 815-436-3577.
