## Press Release

March 12, 2010

For Immediate Publication:

### *Plainfield Village Board Opposed To Governor's Plan*

Plainfield, IL -- The Village Board vehemently opposes Governor Quinn's proposed reduction to the Local Government Distributive Fund. As part of the state budget proposal, Governor Quinn is proposing a 30% reduction in the distributive taxes to the Village. **This reduction would total over \$858,682 for the Village of Plainfield.**

The proposed reduction is on top of the 15% reduction that the Village has already incurred. The State of Illinois has already reduced the share of distributive taxes that the Village receives by 15%, from \$91 to the current rate of \$77. By reducing the Village's share by an additional 30%, the Village would only receive \$54 per resident. **This reduction would be devastating to the Village's proposed budget.**

Additionally, the State of Illinois is four months behind in State Income Tax Payments to the Village. The State currently owes the Village \$925,000.
