**Press Release**

March 26, 2010

For Immediate Publication:

***Resurfacing of Wallin Drive & Drauden Road To Begin***

Plainfield, IL -- Wallin Drive, between 143<sup>rd</sup> Street and Lockport Street, and Drauden Road, from Catherine Drive to 600 feet south of Rock Drive, are scheduled for roadway improvements including patching, bituminous resurfacing, aggregate shoulder installation, and pavement markings.

Construction will begin during the week of April 5, 2010 and continue until May 14, 2010, weather permitting. The roadways will remain open to traffic during construction; however, delays may occur when flaggers are used to direct traffic when one lane is closed during construction operations.

The resurfacing of these roadways will be paid for by grant funding from the American Recovery and Reinvestment Act (ARRA).

For additional information, please contact:

Greg Heiden  
Transportation Engineer  
Plainfield Public Works Department  
(815) 436-3577
