Plainfield, IL - The Plainfield Police would like to encourage all residents to participate in Operation Identification. This is a crime prevention program where engraving tools are loaned to residents, free of charge, so that they may engrave an identifying number on selected valuables as a means of discouraging burglary and theft.

Participating in this program will lessen the likelihood of the property being stolen, but in the event of this happening, the chances of the property being recovered by the police and returned to the owner, will increase.

The Plainfield Police Department has several tool kits available for loan on a first come first serve basis. A refundable $20 deposit is held for use of the kit. Borrowed kits must be returned within one week.

You can stop by the Plainfield Police Department Records Window at 14300 S. Coil Plus Drive, on Monday – Friday from 8:00 a.m. – 6:00 p.m.

Any questions should be directed to Officer Mark Siegel 815-267-7207.
