Plainfield IL – The Plainfield Police Department remains dedicated to reducing injury related and fatal traffic crashes. One of the best ways to do this is by aggressively enforcing occupant restraint laws and seeking out and arresting impaired drivers.

The Plainfield Police Department will participate in the Thanksgiving Holiday “Click it or Ticket” campaign, funded by a grant through the Illinois Department of Transportation, which runs from November 12th through November 28th.

Plainfield Police Officers will focus a large amount of their efforts on occupant restraint violations, and will take a “zero tolerance” approach. Plainfield Police Officers will conduct enforcement during daytime and nighttime hours, both from vehicles and on foot at various locations throughout the Village. Anyone stopped for failing to buckle up can expect a citation.

In addition, the Plainfield Police Department will place extra police officers on the street at night to focus on impaired driving enforcement during the same timeframe.

This extra enforcement is funded by a grant from the Illinois Department of Transportation Division of Traffic Safety.

Please make the start of the holiday season safe for everyone; do not drink and drive and always buckle up, every time, every trip!
