

2011 Plainfield Community St. Patrick's Day Parade Press Release
Page 2

No traffic lanes on Route 59 will be closed, however motorists should be advised that traffic back-up and delays are expected.

Parade staging and line-up has been designated at Plainfield Central High School, located at 24120 West Fort Beggs Drive.

The parade will begin at Plainfield Central High School; travel north on James Street to Lockport Street; travel east on Lockport Street to Illinois Street; travel south on Illinois Street to Ottawa Street; and travel west on Ottawa Street to the Village Green. Parade entries will then either continue back to the high school, or proceed to the after parade festivities area located on Des Plaines Street between Lockport Street and Chicago Street.

No parking will be allowed along the parade route beginning at 6:00 a.m. on Sunday, March 13th until the conclusion of the parade. Parking areas have been designated at Plainfield Central High School, and the Village municipal lots on Des Plaines Street (across from the fire station), and Illinois Street (next to the Library). Handicapped parking will be accessible at the Plainfield Fire Protection District parking lot, located at 15025 South Des Plaines Street, and also accessible on the north side of Chicago Street between Illinois Street and Des Plaines Street.

Anyone with questions related to St. Patrick Day activities, road closures, parade route/staging or parking restrictions can contact Commander Anthony Novak at his office, 815-267-7234.
