Shop with a Cop

Plainfield -

On Friday, December 16th, the Plainfield Police Department will be participating in their 4th Annual "Shop with a Cop" program sponsored by the Plainfield Police Department and Target. Target and the men and women of the Plainfield Police Department have contributed both time and money to make this program a success, but more importantly to make this holiday season special for several area children and their families.

The goal of this program is to reach out to deserving families in the Plainfield community and help brighten their holiday season. It is our desire to give back to those families who have been a positive contributor to the community. Since its inception in 2008, the Plainfield Police Department and the Plainfield Community Consolidated School District 202 have raised in excess of \$26,000 and have assisted **seventy-four (74)** school children and their families with the necessities to make their holiday season more enjoyable than they expected.

On **Friday, December 9th, 2011 at 7:00pm**, the members of the Plainfield Police Department will compete in a friendly charity basketball game against members of the Ira Jones Middle School. The game will take place at Ira Jones Middle School, which is located at 15320 South Wallin Drive in Plainfield, Illinois. ALL money raised as a result of the charity basketball game will benefit the "Shop with a Cop" program.

Anyone having or needing additional information regarding this event should contact Detective Zach Zigterman (815) 577-1985 or Commander Anthony Novak (815) 267-7234.
