Date:

Dear Editor,

In an effort to inform the citizens of Plainfield regarding our upcoming telephone solicitation, we would like to convey the below announcement for publication in your newspaper.

The Metropolitan Alliance of Police (MAP) will be conducting telephone solicitation of Plainfield residents during our annual fundraising drive, beginning soon, on behalf of MAP Plainfield Chapter #93.

The Plainfield Chapter #93 has affiliated with MAP for purposes of collective bargaining and other legal services. MAP presently represents all the officers for our various contractual, legal service programs, insurance and other benefits.

Any donations made to MAP Plainfield Chapter #93 will help to continue to fund these services. The persons making the calls are not police officers. Donations do not become the property of the police department, as the Metropolitan Alliance of Police is the officers' union.
